

User Guide Cheetham CMS

Dashboard

The screenshot displays the Cheetham CMS Dashboard. At the top, a dark header bar contains the 'MARKDESIGN' logo on the left and user information 'deoryzpandu@gmail.com - deoryzpandu@gmail.com' with an 'Edit Profile' link on the right. Below the header, a red navigation bar features a 'Dashboard' link with a laptop icon. To the left of the main content area is a dark sidebar with a 'NAVIGATION' menu listing items like 'Slides', 'Products', 'Static Page', 'Data Industries', 'News', 'General Setting', and 'Logout', each with an edit or action link. In the top right of the main content area, there is an 'ANNOUNCEMENTS' section with a table showing statistics: Vis. today (2), Visits (5), Page today (35), and Pages (53). A red box highlights the 'Products' and 'Contact Us' icons in the top header and the 'MENU' section below it. A red arrow points from the text 'sama dengan menu kiri' to this highlighted area.

Content

Salt is essential to all human and animal life. Cheetham's naturally evaporated sea salt is double washed, dried, sieved and graded to give clean, accurately defined and consistent particle sizes. Cheetham Salt has implemented meticulous food quality systems that comply with FSANZ and HACCP food standards codes to ensure product excellence.

From fine cooking salt to large coarse crystals, our products can be used across the Dairy, Meat, Baking and Food Service industries.

CSR Program: Practical Work Program for Young Generation of Indonesia

Content *

From Dec 2014 until Jan 2015 Cheetham Garam Indonesia has participated in educational activities in conjunction with the Salt Community Technology Academy of Nagekeo (Akademi Komunitas Teknologi Garam Nagekeo) , Flores Island, East Nusa Tenggara. There are a total 30 students and 3 tutor and participants are educated on the scientific elements of the salt production process both in theory and practise across the factory and lab.

Salt Technology Community Academy of Nagekeo was hoping that this will be an ongoing activity and Cheetham Garam Indonesia is willing to continue to provide the information needed that will enhance community awareness on salt in Indonesia.
